<p style="text-align: center;">One Hunter star block – note it has two identical halves.</p> <p>Each size block has its own unique proportions. The dimensions of the diagonal strips and diamonds increase incrementally as the block sizes increase.</p>	<p style="text-align: center;">The Asymmetric Hunter Star block options:</p> <p>Replace one block half with a larger solid triangle to simplify the design, or feature a large-scale printed fabric.</p>
